

DO YOU EAT?

If you “Yes”, then you probably also make purchases at grocery stores. Believe it or not, many local grocery stores will direct a percentage of your purchase to Grace United Methodist Church.

It doesn't cost you a dime, and Grace UMC benefits!

Examples of items purchased with “SCRIP” from grocery store rebates include:

- Sunshade over the preschool playground area
- 8 computers in the Computer Room
- Proxima projector and speakers for youth groups
- 4 flat-screen TVs & 3 DVD players for classrooms
- Over \$1000 on books for the library
- Puppets and puppet equipment
- Assistance with expenses for All-Church Camp
- \$1000 for youth to attend JH Mission Trip, Youth 2007, & Sierra Service Project

Your purchases at any of the following grocery stores will help Grace UMC

Fry's
Basha's
Food City
AJ's
Safeway
Albertson's

Here is how you can help:

Step 1: Purchase a reusable gift card at the Scrip Table in Fellowship Hall...

Step 2: Use the card like cash to make your purchases.

Step 3: When the funds run out, add money to the gift card at the cashier or Customer Service desk PRIOR to checking out.

It's really that simple to support Grace UMC as the church receives between 4% and 6% of your purchase.

We'll be happy to answer any questions you have at the Scrip table in Fellowship Hall!

Thank you VERY much!
